

Budget

- Airfare Chicago to Caracas \$1000
 - I have planned to travel from St. Louis to Chicago on a \$15 train because flights from Chicago are lower in cost.
- Living arrangement in Caracas \$20/night= 420
 - typical hostel cost
- per diem \$20/day = 500
 - The US dollar goes a longer way in Colombia and Venezuela due to a favorable rate of exchange. Still, I plan to keep per day spending very low by staying on a strict budget.

Total: \$1,920
